Ft. Lauderdale, FL 33309

Dear Renee:

We appreciate the opportunity to work with the Organization. This letter is to confirm and specify the terms of our engagement and to clarify the nature and extent of the tax services we will provide.

Tax Compliance Services

We will prepare the 2022 990 Series federal and related state returns (which includes any extensions and/or estimated tax vouchers) for the Organization and any other related returns listed on Exhibit 1. If you notify us in writing, we will also prepare other filings, which may include unincorporated business income tax, payroll tax, sales tax, Forms 1099, and foreign account reporting returns for those entities, for which you have signing authority and have provided us with the necessary information to complete the filings. If, during the course of our engagement, we become aware of any additional filings that may be required, we will inform you of the obligation and prepare them upon your authorization.

We will prepare all returns covered in this engagement from information you furnish us. We will not audit or verify the data you submit, although we may ask you to clarify it or furnish us with additional data.

We will e-file the appropriate returns as required by the taxing authorities. We will provide you with a copy of the 990 Series returns for your review prior to electronic transmission. After you have reviewed the 990 Series returns, you must provide us with a signed authorization indicating that you have reviewed the 990 Series returns and that, to the best of your knowledge, they are correct. We cannot transmit the 990 Series returns to the taxing authorities until we have the signed authorization.

We will perform our services in accordance with applicable professional standards. Our work in connection with the preparation of the Organization's 990 Series returns does not include any procedures designed to discover significant errors, fraud, defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as we find necessary for preparing the Organization's 990 Series returns.

We will use our professional judgment in preparing the Organization's 990 Series returns. Whenever we are aware that a possibly applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will share with you our knowledge of the possible positions that may be taken on your return. In accordance with our professional standards, we will follow whatever position you request, as long as it is consistent with the codes, regulations and interpretations that have been promulgated. If the Internal Revenue Service should later contest the position taken, there may be an assessment of additional tax plus interest and penalties. We assume no liability for any such additional penalties, interest or assessments, but will retain all

professional responsibility associated with the provisions of guidance, advice, and the interpretations provided related and in conjunction with the services rendered hereunder.

Client Responsibilities

You will provide us with all information required for preparing complete and accurate 990 Series federal and related state returns no later than 30 days prior to their original due date (or extended due date, if applicable). We cannot ensure that the Organization's 990 Series federal and related state returns will be completed by the applicable due date if all of the applicable information is not provided to us within this time frame, and we assume no liability for any penalties and interest that may occur as a result. You should retain all the documents, books and records that form the basis of income and deductions. The documents may be necessary to prove the accuracy and completeness of the returns to a taxing authority.

You will have the final responsibility for the Organization's 990 Series returns and, therefore, you should review it carefully before you sign it.

You are responsible for management decisions and functions. That responsibility includes designating an individual with suitable skill, knowledge or experience to oversee all the specific services we perform as part of this engagement, as well as evaluating the adequacy and results of the services performed.

You are responsible for establishing and maintaining internal controls, including monitoring ongoing activities. Our engagement will not include any analysis or consideration of the adequacy of your internal controls. However, we would be pleased to provide this service, as a separate engagement and we would require a separate engagement letter to confirm the scope and related terms of the service.

You are responsible for providing us all information necessary to identify all states and foreign countries in which the Organization is soliciting and "doing business" or deriving income and the extent of business operations in each relevant state and/or country.

You are also responsible for identifying to us all bank or brokerage accounts that the Organization owns or controls, or in which the Organization has an interest, that are located or maintained outside the United States. Additionally, you are responsible for identifying to us the Organization's ownership in any foreign assets or entities.

Reportable Transactions and Tax Shelters

The law imposes substantial penalties on taxpayers and tax advisors for failure to disclose listed and other reportable transactions on Form 8886/8886-T, Reportable Transaction Disclosure Statement. In general, reportable transactions are potentially abusive transactions identified by the IRS that have a primary purpose of tax avoidance, including but not limited to listed transactions, confidential transactions, transactions with contractual protection, loss transactions, and transactions of interest (a definition of "reportable transactions" is located at <https://www.irs.gov/instructions/i8886> and includes a link to a summary of listed transactions).

The law imposes substantial penalties on taxpayers and tax advisors for failure to disclose tax shelters on Form 8271, Investor Reporting of a Tax Shelter Registration Number. A tax shelter is defined in IRC §6662(d)(2)(C) as a partnership or other entity, investment plan or arrangement, or any other plan or arrangement if a significant purpose of such partnership, entity, plan or arrangement is the avoidance or evasion of federal income tax.

You agree to advise us of any tax shelters and/or reportable transactions, including syndicated conservations easements and micro-captive insurance plans, identified in tax reference materials. Unless a reportable transaction is more likely than not to be sustained on its merits, IRC §6662A, Imposition of Accuracy-Related Penalty on Understatements with Respect to Reportable Transactions, requires us to disclose the reportable transaction in a separate attachment to the tax return. Similarly, unless a tax shelter is more likely than not to be sustained on its merits, IRC §6662(d)(2)(C)(ii), Imposition of Accuracy-Related Penalty on Underpayments, requires us to disclose tax shelters in a separate attachment to the tax return.

If you do not consent to a required disclosure, we may be unable to prepare your tax returns.

You will be responsible for any liability, including but not limited to, additional tax, penalties, interest and related professional fees resulting from your failure to timely notify us, in writing, of any tax shelters and/or reportable transactions identified in tax reference materials in order to facilitate the timely preparation and filing of your tax returns. Citrin Cooperman will retain all professional responsibility associated with the provision of guidance, advice, and the interpretations related to informing the Organization regarding matters associated with tax shelters and/or reportable transactions as described.

Digital Assets

There are specific tax implications of investing in digital assets (e.g., virtual currencies such as Bitcoin, non-fungible tokens, virtual real estate and similar assets). The IRS considers these to be property for U.S. federal income tax purposes. As such, any transactions in, or transactions that use, digital assets are subject to the same general tax principles that apply to other property transactions.

If you transacted in digital assets during the tax year, you may have tax consequences and/or additional reporting obligations associated with such transactions. You agree to provide us with complete and accurate information regarding any transactions in, or transactions that have used, digital assets during the applicable tax year. If you have any questions regarding your digital assets and/or transactions, please ask us, and we will respond in writing.

Request for Additional Services

To the extent not included in the Master Agreement with the Organization, you may in the future request services that are not specified in this engagement letter, including, but not limited to tax planning services, tax consulting or tax research. Additional services could also include the amendment of your 2022 990 Series federal and related state returns within twelve (12) months of the end of the fiscal year of such returns if additional information is received after the filing of the original returns. Further, you may ask questions, or we may, at our sole discretion, bring to your attention potential tax planning opportunities for your consideration. If this occurs, we may issue a separate engagement letter to confirm the scope and related terms of the additional services. In the absence of any other written communication from us, the additional services that we perform from the date of the execution of this engagement letter through the end of the 2024 calendar year will be governed by the terms of this engagement letter and will be billed at our standard hourly rates. Nothing herein is intended or shall otherwise limit or amend the services required to be provided in the Master Agreement with the Organization.

To be of greatest assistance to the Organization, we should be advised in advance of proposed transactions and other developments with a potential tax impact.

All returns are subject to examination by taxing authorities. In the event of an examination, the Organization may be requested to produce documents, records or other evidence to substantiate the items of income and deduction shown on the Organization's 990 Series returns. In preparing the Organization's 990 Series returns, we rely on your representations that you have complied with applicable documentation requirements. If an examination occurs, we will be available, upon request, to assist or represent the Organization. Such additional services are not included in our fee for the preparation of the Organization's 990 Series returns specified in this letter, and therefore, we will render invoices to you at our standard hourly rates, plus out-of-pocket expenses as set forth in the Master Agreement with the Organization.

Responses to Third Parties

As a result of our services to the Organization, we may be requested or subpoenaed to provide information or documents (some of which may be privileged) to you or a third party in a legal, administrative or similar proceeding in which we are not a party. If this occurs, our efforts in responding to such requests or subpoenas, as requested by the Organization, will be billable to the Organization as a separate engagement irrespective of whether we are providing any other services to you at that time. The Organization agrees that we shall be entitled to compensation for our time at our standard hourly rates and for reimbursement for all associated expenses, including any legal fees incurred in responding to such requests or subpoenas. All standard rates and expenses shall be in accordance with the terms of the Master Agreement with the Organization. No expenses shall be incurred without prior authorization.

The costs associated with any response to any requests not authorized or requested by the Organization shall be borne by CCA in the normal course and scope of their business and shall not be borne by the Organization. Your consent is required before we may use or disclose your tax return information for any purpose other than the preparation and filing of your tax returns.

Citrin Cooperman Advisors LLC may use third-party services providers, such as independent contractors and vendors, to assist in providing our professional services.

Records Retention

Please provide Citrin Cooperman Advisors LLC with electronic and/or paper copies of your documentation. **You should not provide original documents to Citrin Cooperman Advisors LLC because the original materials and hard copies you provide to us this year or provided to us in prior years will be destroyed one year after the filing of the tax returns that you engage us to prepare.** We will not retain copies of the documents you provide to us beyond that date. It is your responsibility to retain and protect your original tax-related records for possible future use, including potential examination by any government or regulatory agencies. We will retain an electronic copy of our work product and working papers related to this engagement, which generally will not include copies of all documents you provide to us, for a term of seven years after the filing of the tax return(s) prepared pursuant to this engagement agreement or such longer term as may be required by the Florida record retention requirements. In the event that CCA chooses not to retain any records in its possession, it shall comply with the provisions in the Master Agreement related to the provisions of Section 119.0701, Florida Statutes.

Invoicing and Collection

Our fee for these services is \$ 2,750

Payments for services are due when rendered. Interim billings may be submitted as work progresses and expenses are incurred and shall be paid in accordance with the terms of the Master Agreement and in accordance with the Florida Prompt Payment Act as set forth in Sections 218.70-218.80, Florida Statutes.

However, we have no discretionary authority or control in making decisions regarding the operation or administration of the Plan and are not a fiduciary in regard to the Plan in the performance of our services. In accordance with our professional standards, we will follow whatever position you request, as long as it is consistent with the codes, regulations and interpretations that have been promulgated. If the Internal Revenue Service or EBSA should later contest the position taken, there may be an assessment plus interest and penalties. We assume no liability for any such additional penalties, interest, or assessments, as well as any related professional fees, you may incur to respond to the tax authority or ESBA , but will retain all professional responsibility associated with the provision of guidance, advice, and the interpretations provided related and in conjunction with the services rendered hereunder.

We cannot ensure that the Plan's Form 5500 will be completed by the applicable due date if all of the applicable information is not provided to us, and we assume no liability for any penalties and interest that may occur as a result. You should retain all documents that provide evidence and support for reported income, credits, deductions, and other information on your returns, as required under ERISA and applicable tax laws and regulations. The documents may be necessary to prove the accuracy and completeness of the returns to the DOL or IRS. You are responsible for ensuring that non-plan expenses, if any, are segregated from plan expenses and that expenses such as meals, travel, entertainment, vehicle use, gifts and related expenses are supported by necessary documentation and records required by the DOL, IRS and other tax authorities.

The law imposes substantial penalties on taxpayers and tax advisors for failure to disclose listed and other

reportable transactions on Form 8886, Reportable Transaction Disclosure Statement. In general, reportable transactions are potentially abusive transactions identified by the IRS that have a primary purpose of tax avoidance, including but not limited to listed transactions, confidential transactions, transactions with contractual protection, loss transactions, and transactions of interest (a definition of “reportable transactions” is located at <https://www.irs.gov/instructions/i8886> and includes a link to a summary of listed transactions).

The law imposes substantial penalties on taxpayers and tax advisors for failure to disclose tax shelters on Form 8271, Investor Reporting of a Tax Shelter Registration Number. A tax shelter is defined in IRC §6662(d)(2)(C) as a partnership or other entity, investment plan or arrangement, or any other plan or arrangement if a significant purpose of such partnership, entity, plan or arrangement is the avoidance or evasion of federal income tax.

You agree to advise us of any tax shelters and/or reportable transactions, including syndicated conservations easements and micro-captive insurance plans, identified in tax reference materials. Unless a reportable transaction is more likely than not to be sustained on its merits, IRC §6662A, Imposition of Accuracy-Related Penalty on Understatements with Respect to Reportable Transactions, requires us to disclose the reportable transaction in a separate attachment to the tax return. Similarly, unless a tax shelter is more likely than not to be sustained on its merits, IRC §6662(d)(2)(C)(ii), Imposition of Accuracy-Related Penalty on Underpayments, requires us to disclose tax shelters in a separate attachment to the tax return.

If you do not consent to a required disclosure, we may be unable to prepare your tax returns.

You will be responsible for any liability, including but not limited to, additional tax, penalties, interest and related professional fees resulting from your failure to timely notify us, in writing, of any tax shelters and/or reportable transactions identified in tax reference materials in order to facilitate the timely preparation and filing of your tax returns.

Digital Assets

There are specific tax implications of investing in digital assets (e.g., virtual currencies such as Bitcoin, non-fungible tokens, virtual real estate and similar assets). The IRS considers these to be property for U.S. federal income tax purposes. As such, any transactions in, or transactions that use, digital assets are subject to the same general tax principles that apply to other property transactions.

If you transacted in digital assets during the tax year, you may have tax consequences and/or additional reporting obligations associated with such transactions. You agree to provide us with complete and accurate information regarding any transactions in, or transactions that have used, digital assets during the applicable tax year. If you have any questions regarding your digital assets and/or transactions, please ask us, and we will respond in writing.

Financial Statement Audit

Your Plan may be required to obtain a financial statement audit. You acknowledge that you are responsible for timely engaging a qualified independent third party to audit the Plan. In preparing the Form 5500, we will not be conducting an audit. You will be responsible for any damages resulting from authorities rejecting the Form 5500 prepared based upon the financial statements audited by a third party, including but not limited to, additional tax, penalties, interest, and related professional fees, resulting from an improper financial statement audit.

Appraisals and Valuations

Determining the value of the Plan may require an actuarial evaluation. You acknowledge that you are responsible for timely engaging a qualified independent third party to determine the value of the Plan. In preparing the Form 5500, we will not determine values nor will we review or investigate the values provided to us. You will be responsible for any damages resulting from authorities rejecting the values determined by third party actuaries or other valuation professionals, including but not limited to, additional tax, penalties, interest and related professional fees, resulting from the disallowance of an appraisal or valuation.

Plan Documents

You are responsible for retaining a copy of the Plan's IRS opinion or determination letter. You are also responsible for retaining a copy of the current plan document, summary plan description, if applicable, and amendments. In addition, you must ensure that each of the aforementioned documents is signed and approved by the appropriate individuals.

You should consult with ERISA counsel regarding any advice or interpretation of plan documents. You acknowledge that we are not providing such advice.

Other Plan Administrator Duties

You are also responsible for the following:

- Distributing a copy of the Plan's summary annual report to each participant (defined contribution and welfare benefit plans only),
- Retaining a signed paper copy of the Plan's Form 5500 for your records,
- Providing a copy of the Annual Funding Notice to the Pension Benefit Guarantee Corporation, Plan participants, each labor organization representing Plan participants and each employee in a multiemployer plan with an obligation to contribute to the Plan (defined benefit plans only), and

Request for Additional Services

To the extent not included in the Master Agreement with the Organization, you may in the future request services that are not specified in this engagement letter, including, but not limited to tax planning services, tax consulting or tax research. Additional services could also include the amendment of your 2023 Plan's Form 5500 return within twelve (12) months of the end of the fiscal year of such returns, if additional information is received after the filing of the original returns. If this occurs, we may issue a separate engagement letter to confirm the scope and related terms of the additional services. In the absence of any other written communication from us, the additional services that we perform from the date of the execution of this engagement letter through the end of the 2024 calendar year will be governed by the terms of this engagement letter and will be billed at our standard hourly rates. Nothing herein is intended or shall otherwise limit or amend the services required to be provided in the Master Agreement with the Organization.

The return is subject to examination by DOL and IRS. In the event of an examination, the Plan may be requested to produce documents, records, or other evidence to substantiate the items shown on the return. In preparing the return, we rely on representations that you have complied with applicable documentation requirements. If an examination occurs, we will be available, upon request, to assist or represent the Plan. Such additional services are not included in our fee for the preparation of the return specified in this letter, and therefore, we will render invoices to you at our standard hourly rates, plus out-of-pocket expenses, as set forth in the Master Agreement with the Organization.

Responses to Third Parties

As a result of our services to the Plan, we may be requested or subpoenaed to provide information or documents (some of which may be privileged) to you or a third party in a legal, administrative, or similar proceeding in which we are not a party. If this occurs, our efforts in responding to such requests or subpoenas will be billable to the Plan as a separate engagement irrespective of whether we are providing any other services to you at that time. The Plan agrees that we shall be entitled to compensation for our time at our standard hourly rates and for reimbursement for all associated expenses, including any legal fees incurred in responding to such requests or subpoenas.

Your consent is required before we may use or disclose your return information for any purpose other than the preparation and filing of your return.

Citrin Cooperman Advisors LLC may use third-party services providers, such as independent contractors and vendors, to assist in providing our professional services.

Records Retention

Please provide Citrin Cooperman Advisors LLC with electronic and/or paper copies of your documentation. **You should not provide original documents to Citrin Cooperman Advisors LLC because the original materials and hard copies you provide to us this year or provided to us in prior years will be destroyed one year after the filing of the tax returns that you engage us to prepare.** We will not retain copies of the documents you provide to us beyond that date. It is your responsibility to retain and protect your original tax-related records for possible future use, including potential examination by any government or regulatory agencies. We will retain an electronic copy of our work product and working papers related to this engagement, which generally will not include copies of all documents you provide to us, for a term of seven years after the filing of the tax return(s) prepared pursuant to this engagement agreement or such longer term as may be required by the Florida record retention requirements. Dear Renee:

We are pleased to confirm our understanding of the services we are to provide for Early Learning Coalition of Broward County, Inc. Retirement Plan (the "Plan") for the year ended December 31, 2023, in connection with its annual reporting obligation under the Employee Retirement Income Security Act of 1974.

Audit Scope and Objectives

Except as described below, we will audit the financial statements of Early Learning Coalition of Broward County, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "financial statements"). We will also report on the supplemental schedules of the Plan for the year ended December 31, 2023. The following supplementary information accompanying the financial statements, as applicable, will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures:

1. Assets (Held at End of Year) and Assets (Acquired and Disposed of Within Year)
2. Loans or Fixed Income Obligations in Default or Classified as Uncollectible
3. Leases in Default or Classified as Uncollectible
4. Reportable Transactions
5. Nonexempt Transactions
6. Delinquent Participant Contributions

These financial statements and supplemental schedules are required to be included in the Plan's Form 5500 filing with the Employee Benefits Security Administration ("EBSA") of the Department of Labor ("DOL").

Except as described in the following paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether the Plan's financial statements are fairly presented, in all material respects in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

You have determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by The Variable Annuity Life Insurance Company, the trustee which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of any ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described above, we will conduct our audit in accordance with GAAS and will include tests of the Plan's accounting records and other procedures we consider necessary, except that assets and related transactions certified by the trustee will not be tested. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal controls, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS, except as previously noted. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will obtain an understanding of the Plan and its environment, including the system of internal control, sufficient to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments except those certified by the trustee, and certain other assets and liabilities by correspondence with financial institutions and other third parties. We may also request written representations from the Plan's attorneys as part of the engagement. and they may bill the Plan for responding to this inquiry.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service ("IRS") requirements for tax-exempt status and ERISA plan qualification requirements. However, you should understand that our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

We will also assist in preparing the financial statements and supplemental schedules of the Plan in conformity with U.S. GAAP based on information provided by management. In addition, we may assist management with certain adjusting or reclassification entries as part of our financial statement assistance services. Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that management acknowledges and understands their responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; for establishing an accounting and financial reporting process for determining appropriate fair value measurements; and for the preparation and fair presentation of the financial statements in conformity with U.S. GAAP. Management is also responsible for making drafts of financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which they are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence. Management is also responsible for maintaining a current plan instrument, including all plan amendments; and for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants. Management is also responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP. Management is also responsible for providing to us, prior to the dating of our report, a draft of the Plan's Form 5500 that is substantially complete. At the conclusion of our audit, we will require certain written representations from management about the financial statements and related matters.

Management's responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the written management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving (1) Plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management's responsibilities include informing us of their knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, management is responsible for identifying and ensuring that the Plan complies with applicable laws and regulations. Management is also responsible for the fair presentation of the supplemental schedules and the form and content of the financial statements and supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You agree to assume all management responsibilities for any nonattest services we provide (including assisting with the preparation of the financial statements and supplemental schedules); oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, and/or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

During the course of serving the Plan's account, we will use third-party service providers ("Service Providers"). We will also provide services to the Plan using certain third-party hardware, software, software services, and managed services (collectively, "Third-Party Products"). Third-party service providers include individuals who are not employed by our firm. Employees of our affiliate are bound by the same confidentiality agreements. We may share confidential information about the Plan with these Service Providers and through use of Third-Party Products to perform our engagement. Citrin Cooperman is not a host for any client information. The Plan is expected to retain all financial and non-financial information including anything the Plan Sponsor's employees upload to Citrin Cooperman's portal. Management is responsible for downloading and retaining anything we upload to the portal in a timely manner. Portals are only meant as a method of transferring data, are not intended for the storage of client information, and may be deleted at any time. Accordingly, management will not expect us to maintain copies of such records in our possession but shall comply with the terms of Section 119.0701, Florida Statutes, as required by the Master Agreement.

We estimate that our fees for these services will be \$10,900. You will also be billed for actual other out-of-pocket costs such as report production, direct technology fees, shipping, travel, meals and fees for services from other professionals. Interim billings will be submitted as work progresses and as expenses are incurred. Billings are due upon presentation, only in accordance with the terms of the Master Agreement.

We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate, including, but not limited to the following:

- Scheduling changes or other inefficiencies resulting from delays caused by the inability of management to provide previously agreed-upon schedules and documentation in accordance with the agreed-upon engagement timeline.
- Adjustments, whether client-prepared or resulting from the engagement, that are large in volume.
- Significant or unusual transactions that were not previously disclosed by the Plan prior to the finalization of the engagement letter.

The Plan agrees to pay us for the time we incurred on this engagement at our standard hourly rates in accordance with the Master Agreement.

Any liability or costs, including attorney's fees, resulting from management's knowing misrepresentations to us shall be in accordance with the terms and provisions of the Master Agreement.

Any dispute arising out of or relating to this engagement, or breach thereof, may be submitted for non-binding good faith mediation administered by the American Arbitration Association ("AAA") under its Rules for Professional Accounting and Related Services Disputes (the "Rules"). The parties agree to discuss their differences in good faith and to attempt, with facilitation by the mediator, to reach a consensual resolution of the dispute. The mediation shall be treated as a settlement discussion and shall be confidential. The mediator may not testify for any party in any later proceeding related to the dispute. No recording or transcript shall be made of the mediation proceeding. Each party shall bear its own costs in the mediation. Absent an agreement to the contrary, the fees and expenses of the mediator shall be shared equally by the parties. Mediation shall take place at a place to be designated by the parties in Fort Lauderdale, Florida. No litigation, arbitration or other proceeding shall be commenced prior to sixty (60) days after the parties' first appearance before the mediator.

If the matter is not resolved by mediation within sixty (60) days of the parties' first appearance before the mediator, then the parties shall have an additional sixty (60) days to file a written demand for arbitration administered by the AAA under the Rules.

The arbitration will be conducted before a single arbitrator selected from the AAA's Panel of Accounting Professionals and Attorneys and shall take place at a place to be designated by the parties. The arbitrator shall be a fit and impartial person and shall have at least ten (10) years' experience in commercial litigation, accounting or a similar field connected to the subject matter of the dispute. The arbitrator, with the aforementioned requisite qualifications, shall be selected pursuant to the Rules.

The arbitrator shall issue his or her final award in a written and reasoned decision to be provided to each party. In his or her decision, the arbitrator will declare one party the prevailing party. The arbitrator shall have no authority to award non-monetary or equitable relief of any sort. The arbitrator shall not have authority to award damages that are punitive in nature, or that are not measured by the prevailing party's actual compensatory loss.

Any discovery sought in connection with the arbitration must be expressly approved by the arbitrator only upon a showing of substantial need by the party seeking discovery.

The award reached as a result of the arbitration may be binding on the parties, and confirmation of the arbitration award may be sought in any court having jurisdiction.

Subject to the foregoing, Citrin Cooperman shall not be liable for any actions, damages, claims, liabilities, costs, expenses, or losses in any way arising out of or relating to the services performed under this engagement letter for an amount in excess of the Plan's actual damages. In no event shall Citrin Cooperman be liable for consequential, special, indirect, incidental, punitive, or exemplary damages, costs, expenses, or losses (including, without limitation, lost profits and opportunity costs).

This agreement, its enforcement, and any dispute relating in any way to this engagement will be governed by the laws of the State of Florida, without giving effect to any provisions relating to conflict of laws that would require the laws of another jurisdiction to apply.

Reporting

We will issue a written report upon completion of our audit of the Plan's financial statements. Our report will be addressed to the Plan Administrator of the Plan. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to further modify our report or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our report will include other modifications, we will discuss the reasons with you in advance.
