A. Request for Proposals

The Early Learning Coalition of Broward County, Inc. (the COALITION) is seeking proposals from one or more qualified vendor(s) to provide a voice over internet protocol (VOIP) software as a service and support. This service is being procured through an RFP to select the best qualified responsible vendor(s) that is most advantageous to the COALITION through an open, competitive process taking price, service value and all other factors into consideration. The estimated budget for software license fees is up to an annual average of \$100,000 per fiscal year (July 1 to June 30). The term of the Agreement is expected to be for up to three (3) years starting October 1, 2024.

The source of funding for the requested services is as follows:

Federal:	80%
State:	13%
Local:	7%
Total	100%

B. About the Early Learning Coalition of Broward County, Inc.

The COALITION is a not-for-profit 501(c) (3) organization established in 2000, pursuant to the School Readiness Act of 1999 and Florida Statutes Section 411.01. The COALITION is designated by the State of Florida's Division of Early Learning as administrator of all publicly-funded early child care and education programs in Broward County. For over twenty years, COALITION Broward has been responsible for quality early care and education services for our children. We are accountable for helping families find local child care and developing plans to address Broward County's early learning needs.

Our Mission is to lead and support the early learning community to deliver high quality early learning experiences to young children and their families. Our Vision is that all children have high quality early learning experiences leading to success in school and life. We strive to accomplish this by providing resources, advocacy, leadership, coordination and oversight for our child care and early education industry. We promote quality in all child care programs by incentivizing performance standards through coaching, training, and business development.

The COALITION administers the School Readiness (SR) program in order to prepare young children to successfully transition to school and also help close the achievement gap for low-income families. The SR program provides subsidized child care for children from eligible economically disadvantaged families, primarily focusing on children from birth to school age (zero to five) as well as after school care for school age children and those involved in foster care or the child welfare system. The SR program also provides a wide variety of training and quality support services to over 750 child care providers operating in the

County. In addition to SR, the COALITION administers access to Florida's Voluntary Pre-Kindergarten (VPK) education programs in Broward County, which are free for ALL children residing in Florida at age 4 regardless of income.

The COALITION also provides Child Care Resource and Referral services (CCR&R) to all Broward families, regardless of income, to help them identify and select the best child care and early education options to fit their needs such as special education services, specific hours of operation, or location near a parent's work or school. This wide range of agency activities services over 30,000 children each year while allowing their families to remain employed and/or in school and channels more than \$200 million into the economy of Broward County annually. The COALITION's programs provide an invaluable benefit not just to the children and families served but also to child care employees, early educators, small and medium sized businesses, and the communities and municipalities they live in.

All Vendors should contact the COALITION's contact person for this solicitation as set forth in Section I. All Proposals will be open for public inspection in accordance with Chapter 119, Florida Statutes, except for any information that qualifies as exempt information under Florida Statutes, and which has been identified by the Vendor. The COALITION will attempt to afford protection from disclosure of any trade secret as defined in Section 812.081, Florida Statutes, where Vendor identifies it as such in its response to this RFP, to the extent permitted under Section 815.04, Florida Statutes.

Any prospective Vendor acknowledges, however, that the protection afforded by Section 815.04, Florida Statutes, is incomplete, and it is hereby agreed by the Vendor and the COALITION that no right or remedy

This restriction does not limit the COALITION's right to use or disclose the information designated as trade secrets or confidential which is obtained from another source.

Any exemption claimed will be limited to the pertinent data/documents and must be supported by a state or federal statutory exemption. Notwithstanding anything to the contrary, nothing contained in the proposal shall be deemed or interpreted to restrict or prevent the COALITION from complying with the disclosure requirements of Chapter 119, Florida Statutes, when material is incorrectly identified or does not statutorily qualify as a trade secret or confidential information. By submitting a Proposal, the Vendor covenants not to sue the COALITION and waives any claim against the COALITION arising under Chapter 119, Florida Statutes or in connection with or as a result of any disclosures by the COALITION in connection herewith.

The Committee, at its sole discretion, may extend the time to forward its recommendation to the CEO or their acting designee (if CEO is unavailable), however,

in no event shall such time frame extend beyond (5) business days from the day of the committee meeting.

If, in the sole determination of the COALITION, that a dispute may result in a delay or interruption of services to clients or operations of the COALITION, it reserves the right to contract with a contractor of choice on an interim basis to ensure the delivery of service or continuance of operations until the protest dispute is resolved.
